報告摘要 2022 

Caring for the Community 關懷社會

“Benefitting the Community” and “Sharing the Fruits of Success” are our core values 「造福社會」和「共享成果」是我們的核心理念

In 2022, we continued our support for community interests through cash and in-kind donations amounting to over HKD 9 million.

2022年，我們持續透過現金或醬料捐贈，支援社區發展，捐資總額超過九百萬港元。

Promote Chinese Culinary Culture Worldwide 發揚中華優秀飲食文化

We launched "Hope as Chef" programmes in Mainland China, Hong Kong and Malaysia, helping aspiring teenagers pursue their culinary dream.

The Programme was named as an "Excellent Case of Poverty Alleviation" in Mainland China in recognition of its effort to assist the youth to complete professional Chinese cuisine learning, and cultivate future stars of the industry. Since its launch in 2021 in Mainland China, we supported over 1,000 youngsters from more than 20 provinces.

我們於中國內地、香港及馬來西亞舉辦「希望廚師」項目，幫助年輕人學廚圓夢。

項目曾於中國內地獲評為「脫貧攻堅優秀案例」，以表揚項目幫助一眾青年接受並完成專業系統的中餐烹飪訓練，同時為中餐業培育未來之星。項目自2011年在內地創辦以來，已資助超過1,000名來自20多個省份的有志青年。

We also award scholarships to outstanding students at top culinary schools including the Chinese Culinary Institute, the International Culinary Institute, the Culinary Institute of America, and Johnson & Wales University.

Besides, we award Lee Kum Kee Corporate Scholarship annually to students and teachers specialising in Chinese cuisines at vocational colleges in Beijing, Chengdu, Guangzhou and Shanghai in the Mainland China. In 2022, there were 280 awardees.

In association with Ming Ai (London) Institute, we hosted 69 culinary workshops, promoting healthy Chinese culinary culture to over 1,000 students and teachers in the United Kingdom.

我們還向在中華廚藝學院、國際廚藝學院、美國烹飪學院、強生威爾士大學等頂尖烹飪學校就讀的優秀學生提供獎學金。

此外，我們每年頒發李錦記企業獎教獎學金予中國北京、成都、廣州及上海的職高院校，獎勵中餐烹飪專業表現突出的師生。2022年，共有280名得獎者。

2022年，李錦記與明愛（倫敦）學院合作舉辦69場廚藝工作坊，向超過1,000名英國學生和教師推廣健康中菜文化。

Engagement with Stakeholders 與持份者交流

Lee Kum Kee actively engages with our stakeholders for building trust and raising brand image.

In 2022, over 300 tours were hosted for government officials, business partners and educational institutions in Hong Kong headquarters and Xinhui Production Base with over 15,000 participants. Online tours were offered during the pandemic.

Our Xinhui Production Base was named "**Guangdong Provincial Popular Science Education Base**" (2023-2027) by the Guangdong Provincial Association for Science and Technology and the Department of Science and Technology of Guangdong Province. Lee Kum Kee Xinhui Production Base spares no effort in providing a series of condiment-themed science popularisation programmes and arranging science learning activities related to raw materials, GMP quality management and environmental protection.

李錦記積極與持份者互動交流，以建立互信並提升品牌形象。

2022年，香港總部和新會生產基地接待政府官員、商業夥伴和教育機構參觀超過300次，參加人數超過15,000人。在疫情期間亦為持份者提供線上參觀。

李錦記新會生產基地獲廣東省科學技術協會及廣東省科學技術廳名為「**廣東省科普教育基地**」(2023-2027)。該生產基地致力提供以調味品為主題的科普體驗活動，持續開展關於原材料、GMP管理體系、環保等方面的科普課題。

Contribution Appreciated by the Society

Lee Kum Kee Oyster Sauce Craftsmanship has been inscribed on the List of Intangible Cultural Heritage of Guangdong Province. Lee Kum Kee was also named as the Protection Unit of this Intangible Cultural Heritage.
