## Sourcing 原材料

To avoid ecological damage, Lee Kum Kee has developed organic planting for chilli and black bean farms and has obtained CNAS Organic Product Certification. We encourage suppliers of raw materials to adopt **Good Agricultural Practices (GAP)** for managing and monitoring their supplies. By the end of 2022, 8 upstream suppliers were educated on proper GAP for standardisation of plantation.

為避免生態破壞，李錦記於辣椒及黑豆農場以有機方法種植，並獲得CNAS有機產品認證。李錦記鼓勵原材料供應商取得「**良好農業規範認證**」(GAP)，妥善管理和監控原材料供應。截至2022年，我們有8間上游供應商接受GAP教育，學習標準化種植。
